

LILLIE'S LAW

In Loving Memory of Lillian Laura Propes
July 8, 1994- March 27, 2011

**NO
PHONE
ZONE**

I PLEDGE

to help save lives by not texting or talking on my cell phone while driving. I will ask my friends and family to do the same. Starting today I will make my car a No Phone Zone!

I WILL

- save lives by not texting while driving, and if I have to make a call, I will make it brief and use hands-free calling.
- save lives by not texting or talking on my cell phone while driving.

Wear your thumb band in honor of Lillie and as a reminder NOT to text and drive.

16 people don't have to die everyday due to distracted driving. The phone call can wait. I pledge to save lives.
